**Have a Safe and
Happy Holiday!**

Tips for Thinking Green this Holiday

The holidays are just around the corner! SOCRRA has the three “Rs” covered with the following green tips.

Reduce:

- ◆ Plan your meals according to the number of attendees to help reduce food waste.
- ◆ Have a plan for left overs, invite guests to bring Tupperware or be ready with extra containers.

Reuse:

- ◆ If Americans reused just two feet of holiday ribbon we could tie a bow around the entire planet with the 38,000 miles of saved ribbon.
- ◆ If we wrapped three presents in reused materials we could wrap 45,000 football fields with the paper we saved.

Recycle:

- ◆ Flatten and empty cardboard boxes and place them under your bin or folded in your bin (no bigger than 2' x 2').
- ◆ Bring foam block packaging to SOCRRA's Drop-off Center for recycling (no foam peanuts).
- ◆ Wrapping paper is recyclable. Try collecting it in paper bags or see through plastic bags and place in your bin.
