## SOCRRA at Your School

SOCRRA offers free recycling education assemblies to all public and private schools located within one of our 12 member communities.

The assemblies are designed to educate students about recycling both at home and school. Students learn the importance of recycling and how recycling works!

These free assemblies help kids learn about recycling in a fun and dynamic way.

### **Details:**

Free recycling assemblies are open to children grades K-12 at public or private schools located within a SOCRRA community. Recycling Assemblies can be geared to varying age groups.

### **Schedule today!**

Please contact Karen Bever at SOCRRA, by phone, 248-288-5150, or email [socrra@socrra.org](mailto:socrra@socrra.org) to schedule an assembly or with questions about SOCRRA programs.
