## Now Available: All You Need to Know About Mixed Recycling and New Carts

As the launch of mixed recycling and delivery of the new recycling carts approaches, SOCRRA has developed a website with all the details you will need to know.

Available via [www.socrrarecycling.org](http://www.socrrarecycling.org), the website is your go-to resource, providing information about:

- ⇒ Timing of cart delivery
- ⇒ An overview of mixed recycling
- ⇒ Updates on the construction underway at the recycling facility
- ⇒ Frequently asked questions

Please visit the website today and continue to use it as your resource throughout the summer!

## Cart Delivery Information

The most popular question we receive at SOCRRA lately is “When will I get my new recycling cart?”. With SOCRRA delivering 100,000 carts this summer, it is difficult to provide a specific answer. What SOCRRA can share is the tentative start date of delivery in your community. SOCRRA thanks you for your patience during this exciting time!
