

Effective October 1, 2009

Our supply was exhausted for two months, but...
WE NOW HAVE MORE SCREENED & CURED GARDEN COMPOST!

Made from grass, leaves & woodchips by the
Southeastern Oakland County Resource Recovery Authority (SOCRRRA)

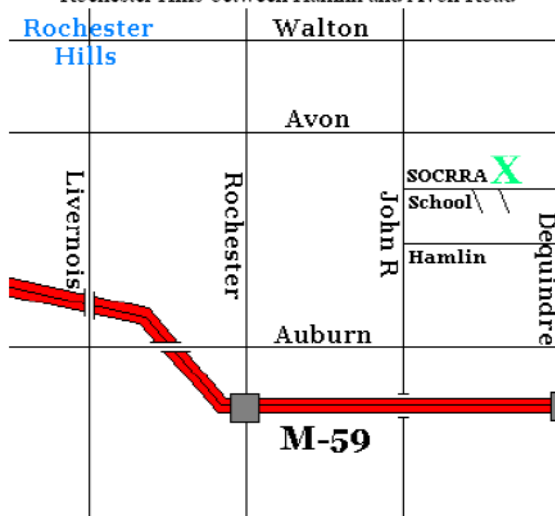

Hours---Monday thru Friday 8am-4pm

Shovel Your Own---FREE to residents of SOCRRRA communities & Rochester Hills
\$5 to residents of all other communities

Loaded by SOCRRRA bucket loader---\$4 per cubic yard
with a minimum charge of \$15

SOCRRA's Yard Waste Compost Site at 1741 School Road

Northwest corner of Dequindre & School Road
Rochester Hills-between Hamlin and Avon Road

Useful as a soil amendment throughout the landscape—including lawns, trees, shrubs, vegetable gardens and flower beds. **Mix 50/50 with native soils---do not use as potting soil.** For compost nutrient and compost quality data, contact mczuprenski@socrra.org
